Welcome to the 2022 Swire Ridgeway Arts Prize Exhibition.

The Ridgeway – the oldest road in Britain – with its wonderful views and its powerful atmosphere has always appealed to the creative spark in artists and in all of us.

With this background, The Friends of The Ridgeway have established an annual arts competition and prize – the Swire Ridgeway Arts Prize. The aim of the competition is to bring The Ridgeway to life not only as a long distance trail but also as an artistic inspiration, and to show The Ridgeway, its history and environs, in all their aspects throughout all seasons. The theme of the competition is ‘Spirit of the Ridgeway’.

Thank you for taking the time to view the exhibition We hope that you will gain artistic inspiration from the Ridgeway through the Swire Ridgeway Arts Prize.

## **THE RIDGEWAY**

The Ridgeway National Trail is the central section of what has often been called Britain's oldest road, stretching from the Dorset coast to The Wash. Never a single road, but rather a complex of braided tracks which successive generations have used for their own purposes. Pre-historic barrows and burial mounds and hill forts line the route.

This is a superb trail for walkers, cyclists and riders.

But it is more, much more than a walking route. It is wonderful landscape from Ivinghoe Beacon, an ancient signal point and hill fort, through the of beech woods of the Chilterns to the River Thames and then up to the large skies of the chalk downs to Overton Hill, Avebury. It is an artistic inspiration, and a historic monument.

## **WHAT DO THE FRIENDS DO?**

The Friends of the Ridgeway is a campaigning charity committed to preserving and promoting both the ridgeway. We work with others to promote the ridgeway's value to the whole community as an essential part of everyone's life and heritage; and to represent any concerns about the ridgeway to those responsible for its maintenance. We seek to engage people living near to and using the trail in activities that spread knowledge and appreciation of its wealth of historic, artistic and environmental features.

Today our objectives are the preservation of all the ridgeway trackways along the chalk downs of Southern England, and of their associated features, monuments and access paths, including the Ridgeway National Trail.
