

## **Snow Moon at Uffington**

Snow moon at Uffington,  
Hung, as if stuck,  
Upon,  
Blue winter clarity,  
Blown large,  
Lunar majesty,  
Crisply,  
Night, time unfurled,  
To my left, day burned,  
Setting in flame,  
Among islands,  
Of clouds,  
The old world,  
Upside down,  
Mirror image,  
Of ridges,  
Above,  
Below,  
Go,  
Left to right,  
Line of sight,  
Over what's now  
"A site",  
Yet, also,  
Still, a place,  
Where a full,  
Bold,  
Snow moon,  
Hangs briefly,  
Eternally,  
Over a galloping steed.
